

VILLA INTERNATIONAL HIGH SCHOOL
STATIONERY REQUIREMENTS for Junior Grade 11 (2025 - 2026)

NOTE BOOKS
1 Examination pad OR Log book (between 100 - 200 pages) for every subject, unless specific mention is made for a subject. <i>* Teachers will communicate regarding this during the orientation meetings</i>
1 Graph pad for Mathematics
OTHER MATERIALS
1 Calculator (Casio FX991ES Plus - Black) or (CasioFX991EX) to be used for Maths, Accounting, Business, Economics and Physics.
1 clear punch file for each subject
A laptop will be needed for students studying Digital Media & Design
Other general materials
Pencil
Eraser
Pen
Ruler (plastic, 12 inches)

- * Students will need the materials ONLY for the subjects they have chosen.
- * One calculator will be enough for all required subjects
- * Clear punch files are encouraged as they are more durable
- * All books must be labelled with student's name, class, student number and subject
- * Students are requested NOT to cover the books with cellophane.
- * One time use plastic bottles are not allowed into the school, thus all students must have their own water bottles which can be refilled from the school.
Please ensure that the bottles are labelled with student's name and student ID.
- * **Required text books will be given to the students from school when the school starts**
